How can I help my child at home?

Home Help!

Reading and Book Talk:

Reading is an important part of learning and developing children's vocabulary and language skills, therefore we encourage you to read with your child at home everyday. It provides a great opportunity for you and your child to talk, and share ideas and thoughts about what they have read.

We want children to be happy and enthusiastic readers, and hope that children are able to read a variety of genres to broaden their reading experiences. Please don't forget, whenever you read at home your child should fill in a section of their Reading Booklet. As well as home-school reading books, anything that children read can count .

Home Reading Books

Your school reading books should be brought in every Monday however your child is welcome to change this daily if required.

If you have any questions, please speak to your class teacher.

Homework, home-reading and PE.

A homework grid will be sent out at the beginning of half term. Each week your child can choose an activity from this grid and complete it.

Homework books are to be handed in every **Monday** and these will be **returned on a Thursday**.

Home-reading books need to be in your child's bag ready to be changed on **Monday**.

Year 2 have PE on a **Tuesday** and a **Thursday**. Your child needs to bring their PE kit into school, which they can then change into in before their PE lesson.
