Attendance

Overall attendance this week = 93.3%

Number of lates = 42

Dear Parents/Carers

I would like to introduce you to our new link Education Welfare Officer Sam Dabreo. Sam will be working closely with the school to identify families who may need help and support due to low attendance and/or lateness. As you know this is something that I have been monitoring closely and will be reporting weekly via this newsletter. Our whole school attendance is currently 93.3% which is much lower than the desired 96+%. I am hopeful that with Sam's help and with your support we can increase this.

A message from Nursery and Reception:-

The staff have been putting photographs and observations of the children onto Tapestry. Please do take a look. If you have not set up your Tapestry account or need some support, please talk to your child's teacher. Thank you.

Our assembly theme this half term is **Dream Big**. We would like to inspire the children to think about a range of different jobs they could have when they are older. We have heard about famous people such as Greta Thunberg and Muhammed Ali who had a dream to be/do something big. We have also heard about a champion gymnast who achieved her dreams and goals.

If you have a job that you think would inspire and/or interest the children and you would be willing to talk to a group of children about it then I would love to hear from you. Please do contact me via the school office.

Mrs Newton
Headteacher

Celebrations

Star of the Week certificates
