

Year R Homework Grid

Each week, please complete one of the activities from the grid below. Don't forget to take a photo and upload it to Tapestry to help us celebrate what you are getting up to at home.

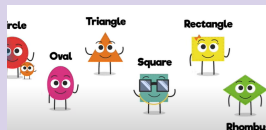

Activities you might like to do at home:

Bring in your photos of any celebrations you do at home with your family. This could be birthday parties, Christmas, Hanukkah, New Year or Diwali to name a few!

Sing our 2D shapes song

<https://www.youtube.com/watch?v=1nJ5VbyD6tY>

Can you make up your own shape song?

Make some salt dough together. Can you help your grown up weigh out the ingredients? Can you help make some decorations for your celebrations?

Enjoy reading a book at home together. Cosy up with a blanket on the sofa!

Draw a picture of your family's favourite celebration

Make some leaf art, just like we did for our story 'Leaf Man'

Use any recyclable materials to build your own rocket firework. What materials can you find? How could you join them together?

How many different materials can you use to practise writing your name? You could try pens, pencils, crayons, chalk, glitter! Remember, a capital letter for the first letter and then the rest are lower case!

Make your own Stickman. You could even make his whole family - just in time to celebrate Christmas together!
