Activity clubs

## Attendance

Overall attendance this week = 92.4%  
Number of lates = 40

Dear Parents/Carers

On Monday this week, I introduced our new assembly theme of resilience. We have used the word BOUNCEBACKABILITY to enhance what resilience means and in assemblies on Tuesday, we had a go at some activities that required resilience. Each week over this half term I will be setting a resilience challenge for the children to do at home. It would be fantastic if you could encourage your children to do this or even join in. Any photos of your children attempting the challenges would be very welcomed.

This week there is a choice of challenges:-

Build a house of cards

How many keepy uppies can you do in 3mins?

How many times can you bounce a ball on a tennis racket in 1min (without it falling)?

Have fun!

*Having reviewed our school website, I think it is definitely due for an update. If there is anyone who would like to join a 'website working party' to discuss this further. I would really love to work with you and hear your opinions. Please let the office know if you are interested.*

Mrs Newton  
Headteacher

## House Points

The house with most house points this week is **DRAGON**

## Celebrations
