\*Yr-4 Dream box reading plus

## Attendance

Overall attendance this week = 91.2%

Lates = 60

Classes with the highest attendance = KS1- Squirrel and KS2 - Panda

Dear Parents/Carers,

Last week, we installed some step designs to brighten up the stairwells. We have chosen maths timetables and books from our reading curriculum. We thought you might like to take a look.....

Over the past year, Mrs Lamb and the Eco Committee have been working with members of Southampton City Council on a Greener Air Project.

*This week we had an assembly. Tom and Amber talked to us about clean air and how we can keep the air clean by walking, cycling or scooting to school. They showed us where the most polluted roads are in Southampton (red roads) - these are where the most cars are. We went on a walk around the streets near the school and monitored the amount of pollution with a special machine. We love being in the eco committee it is a really fun job and keeps our school away from pollution. Tristan (Year 6) and Flo (Year 4)*

Mrs Newton  
Headteacher
