

Key Stage 1 Outcomes 2019 – End of Year 2

There are two reported outcomes for Reading, Writing and Maths:

- EXS - where children are meeting the expected standard
- GDS - where children are working at a greater depth in the standard.
- Science will only have the EXS outcome reported.

We are very pleased that our children have achieved:

- In line with national outcomes for writing

Our school priorities are to:

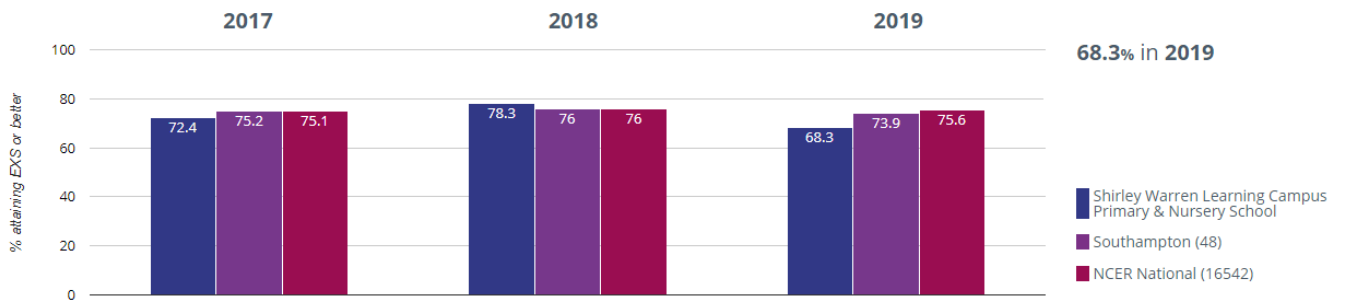

- To raise attainment in Reading and Maths at Expected standard
- Increase the proportion of pupils achieving Greater Depth Standard in all subjects.

Please see our results in the following pages shown on visual bar charts
