Head of Shirley Warren Learning Campus: Mrs Alison Mann

9th June 2020

Dear Parents and Carers

I wanted to write to let you know how our first week of wider opening has gone. Last week we opened to Pre-Nursery, Nursery and Reception children. We have also opened two additional bubbles for children of critical workers, vulnerable children and children with EHCPs.

It has been lovely to have the children back in school and they have been really happy to see their friends. The children have been happily learning new routines and have been getting used to any changes. They have all been amazing. Last week staff took photos of the children in their 'bubbles' and we will be sharing these with you on the website. Thank you to all our families for helping us follow the new routines around the start and end of the day. Some of the routines mean extra time around collecting or dropping of children and we really appreciate your help with this.

We are happy to say that Elaine, our amazing cook, is back with us and the team will be making packed lunches for anyone who orders one.

Mrs Dinnage and Mrs Carrington have contacted all of our parents whose children have EHCPs and if children are remaining at home Mrs Mills will be working with these children via Google to ensure they are able to work towards their targets.

Our new style learning grids have been shared with all families through google classroom and the feedback from children so far is really positive. Our teachers will continue to ring each of the children who are not in school throughout the rest of this half term. We are very grateful to the music service who have provided music making sets for children who are shielding at home. Testlands have also been very generous and have distributed sports sets to identified families.

Best wishes and take care

Mrs Mann
