23<sup>rd</sup> October 2020

Dear Parents, Friends and Families

It has been a truly different half term for us in schools. I can't believe that it's been 7 weeks since we re-opened at the beginning of term and just over a month since my team and I started at Shirley Warren. I just wanted to touch base with you to say thank you for your help and for your smiles in and around the school and to wish you all the very best for next week. I know that you will already have received a text today asking that you notify the school if you have any positive test results for Covid-19 in your household next week. We would need to know your child's name and the date of the result. There is no need to let us know of any negative test results.

We had a really brilliant day today in our non-uniform. I would like to thank you so much for the donations for the Basics Bank – you donated **£291** and I know that they will use it wisely.

Another thank you – this time for the fantastic donations of food and produce for the Basics Bank. It makes me very proud to be part of a community that shares so readily, when we know that life is not easy for anyone at the moment.

Please stay safe over the holiday. Just a reminder that the children return to school on Tuesday 3<sup>rd</sup> November at the usual time. My feeling now is that a two week circuit break is less likely – but I would advise everyone follows the news.

Very best wishes from everyone at Shirley Warren

  
Peter Howard  
**Headteacher**
