

Shirley Warren Christmas News

Shirley Warren Primary and Nursery School, Warren Crescent, SOUTHAMPTON, SO16 6AY
18th December 2020

Dear Parents and Carers

And so we reach the end of term and the end of a year. I have only been here for a few weeks but have already seen what a special place Shirley Warren Primary and Nursery School is to work. Thank you to all families, staff, Governors and most importantly the children for making me feel so welcome.

2020 has been a tough year for the country as a whole but as a school we couldn't be prouder of how the children have responded to the new restrictions in and around the school. They have continued to work hard, try their best and amaze us with their talents. We do hope you enjoyed the Christmas video performances and they helped you get into the festive spirit.

I want to say a huge thank you to all the staff who work so hard for the children and in particular to the site staff and cleaners who have worked tirelessly to ensure the school is safe and clean and fully sanitised. The hard work is much appreciated.

I wish you all a very merry Christmas. Stay safe and well and I look forward to seeing you when school re-opens on Monday 4th January.

Mrs Zoe Newton
Interim Headteacher

What is the best Christmas present in the world? A broken drum, you just can't beat it!

How did Mary and Joseph know Jesus' weight when he was born?.....They had a weigh in a manger!

What's green, covered in tinsel and goes ribbet ribbet? A mistle-toad!

Mrs Lott is pleased to announce the safe arrival of her son Isaiah James on 15th November weighing in at 8lbs 9oz! We wish her and Mark all the very best with their new family and look forward to meeting Isaiah when Covid allows.

School reopens for children on Monday 4th January 2021

Article 30 (children from minority or indigenous groups)
Every child has the right to learn and use the language, customs and religion of their family, whether or not these are shared by the majority of the people in the country where they live.

Merry Christmas

From the Admin Team...Claire, Sarah, Rachel and Amy

Thank you so much for all your help and understanding with office procedures during these tricky times. We always have your child's wellbeing and safeguarding at the centre of everything we do and work hard to follow Government and Local Authority guidelines.

Please may we remind you that on our data base we have a list of adults that you have provided who can **collect your child**. Please contact the office if you need to add to this list for the safeguarding of your child.

Can I also ask that if you get a **new mobile phone or change your email address** at Christmas that you let us know? It can be distressing for your child if we cannot get hold of you if they are poorly. The easiest way to let us know is via the new SIMS Parent app. Over 250 parents have already downloaded the app. If you need a code to download it, please email Sarah. You can then check data that we hold about your child and let us know if there are any changes to make.

We now send **all** our letters home by **email** so it is very important that we have your correct email address. Emails are sent to Priority 1 contacts.

Thank you for your help with this.

Virtual Warner Bros. Studio lesson in Y3/4

As the Year 3 trip to Warner Bros. Studio was cancelled in the summer, due to Covid, we got to take part in an engaging virtual lesson! The lesson included going through the script of *Harry Potter and the Philosopher's Stone* and looking at the props from all seven films! The children loved it and learned lots of behind the scenes secrets about how the films were made.

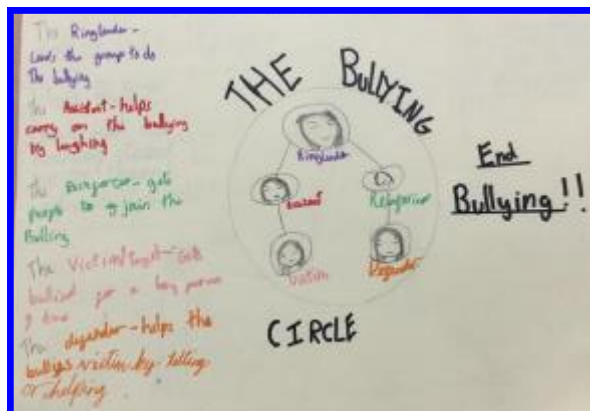

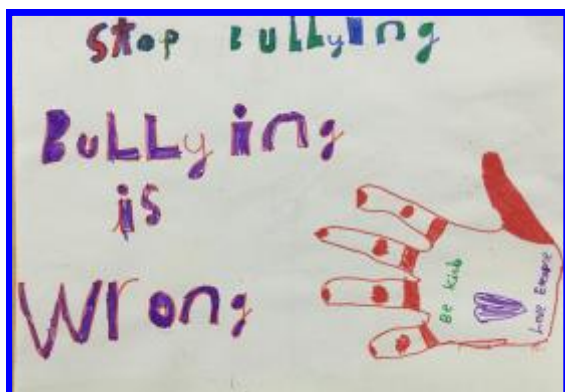

Anti-Bullying Week 2020!

At Shirley Warren Primary School, we **kick-started anti-bullying week off with Odd Socks Day**. We loved wearing our odd socks and it made us value the idea that everyone is different and we need to cherish people's differences whilst respecting them.

During the week, in our bubbles, we discussed bullying and what it actually means. We looked at our anti-bullying charter in order to understand how we, as a school, deal with bullying. Towards the end of the week, we designed our own anti-bullying posters in order to spread awareness. Here are some of the **Year 3** and **Year 6** posters!

Christmas Jumper Day

Save the Children

On **Monday** we had a fantastic display of **Christmas Jumpers** across the school! Thank you for donating **£170** to **Save the Children**. This will really help them at this time of year.

BBC Children in Need

your generosity!

Thank you for all the wonderful colourful and Spotty costumes on Children in Need Day!

We raised a superb **£316.50!** Thank you for

Pre Nursery Christmas Crafts

In Pre-Nursery we have been busy making Christmas cards and Christmas tree paint stamping. We have enjoyed going outside and jumping in muddy puddles. Our story this term is 'We're Going on a Bear hunt' and the children have been acting out the story by dressing up as a bear and hiding in our cave.

We have even had a visit from Buddy the elf !

Year 4 proudly show their Anglo-Saxon brooches that they made.

A Guide to E-Safety This Christmas...

Technology gifts are often high on Santa's lists each year so it is important to ensure that your children are safe when playing with new devices. To help you over the holidays, here are a few top tips to help keep your children safe online.

Understand new devices

Once you hand over devices on Christmas morning it can be hard to get them back, so it's great to have a go on any devices you buy beforehand. Many devices have controls to ensure that children can't access content you don't want them to. These include settings for online searching, "in-app" purchases and some have screen time allowances.

Setting-up your tablets in advance

Tablets are really popular with children and there are a wide range to choose from, including child-friendly and educational models. When it comes to setting up and using tablets, why not start slowly? Download games and apps you have checked out carefully. Sites such as Net Aware or Common Sense Media provide useful advice.

Games Consoles

Each year there are so many exciting games and consoles around, there is a good chance you might have one coming into your house.

To help you choose age-appropriate games for children most platforms will feature an age rating on the game - downloading and using the game yourself is a great idea to experience first-hand what your child may be watching. Alternatively, you can go to **NetAware** or **Common Sense Media** for more information.

Many children are enjoying the game '**Among Us**' - an online multiplayer game. It is rated for 7+, however due to the chat function, we recommend that children only play it in a private game room with people they know.

Social Media

As a parent it's important you know that all social networking platforms have age limits. The following all have a minimum age of **13+**: BBM, Facebook, foursquare, Instagram, TikTok, Reddit, Snapchat, Flickr, Monkey.

- Many sites include an instant message function which allows private conversations between site members.
- Some app versions of social networks use the location of the phone.
- Information shared between friends can be easily copied and may spread
- It isn't easy to take back information that has been posted – and can be impossible if it's already been shared.
- Not everyone your child meets online will be who they say they are. Chatrooms and forums can connect people who are complete strangers and can be unmoderated.

Top tips for the holidays

- Set boundaries - how often can your children use their new devices?
- Apply Screen Time Limits - agree a time limit or number of games beforehand, to avoid repeated disagreements around how long they can spend online.
- Sleep comes first - we advise that phones or tablets stay out of the bedroom overnight to charge. This avoids those night time distractions!

Have a Merry but Internet-safe Christmas!

MUSIC

Despite the restrictions of Covid, Music has continued to thrive here at Shirley Warren.

6D have been developing their skills on the **ukuleles**, learning to play chord progressions to accompany songs. Our favourite has been Jingle Bells. 6G had lots of fun with the **boom-whackers**, playing tunes and accompaniment. Our favourite was Ghostbusters.

Y5 have been playing complex rhythms using **cups**! We've learnt rhythms from notation and played along with loads of different tunes. We have also kept a listening diary as we have heard a range of music from classical100.org.

Y4 have been learning about reading notes from the stave. They have learnt to play some lovely melodies using **glockenspiels** and virtual glockenspiels on the Ipad (playxylo.com).

MUSIC

Y3 have linked their learning in music to their topic of the Stone Age. We have used 'nut' and 'berry' to compose rhythms and composed our own rhythms using stone age phrases.

Y2 have been learning the difference between **beat** and **rhythm** and following symbols to play along on instruments.

Please arrive in school on time !

We are seeing more and more children arriving late which is causing disruption to the class while the late children settle. It also means that staff need to be released from other duties to open gates and doors which is often not practical. Thank you for your help in bringing your child to school on time.

Sarah Worley
Attendance Officer

CHILDREN
MUST FEEL
SAFE AND
SUPPORTED
IN ORDER
TO REACH
THEIR
GREATEST
POTENTIAL.

SENHUB.COM

EU Settlement Scheme and You.

APPLY TO THE
EU SETTLEMENT SCHEME
BEFORE THE DEADLINE ON

Find out more and apply now:
[gov.uk/eusettlementscheme](https://www.gov.uk/eusettlementscheme)

When the Brexit transition period ends on 31 December this year, the Government will start to roll out a new immigration system.

This means that EU citizens and their family members (who right now exercise rights to live and work in the UK under EU law) need to obtain permission to stay in the UK.

If you or any of your family are EU, EEA or Swiss nationals you will need to apply to the EU Settlement Scheme.

Any person who misses the deadline on 30 June 2021 and stays in the UK will be here unlawfully, with no right to work or access public funds.

If in doubt – check it out:

<https://www.gov.uk/settled-status-eu-citizens-families>

Merry Christmas from the children

Shirley Warren Primary School Houses

610

632

This term, we introduced our new house system across the school. Every pupil is in a house and can earn house points for lots of reasons. Any adult in the school can give house points, if they spot a child who deserves one. The children have been very excited to find out who has the most house points at the end of the week. The running total of house points are shown here. Well done to all our pupils who have earned house points - you are all superstars!

News from the Friends of Shirley Warren...

Your Parent Association! Your way of getting involved!

Sadly, we have not been able to have our usual events, discos, raffles etc due to the Coronavirus pandemic. Hopefully once things begin to return to normal we can introduce some fundraising and fun activities.

We will then be asking for parents to join our Committee to help organise events.

Michelle Allen, Becky Dinnage and the Friends of Shirley Warren Committee

This term in Nursery!

We had lots of fun taking part in **National Nursery Rhyme Week**. We enjoyed making music around Nursery and in the garden. We are enjoying **Phase 1 phonics** so far... we have been on listening walks, experimented with making sounds and developed our listening and attention skills.

As part of our **Understanding of the World** learning, we explored ice and watched it melt. We used a range of different tools to free the bugs that had been trapped.

We learnt all about **Autumn**, we developed our motor skills hammering into pumpkins and then discovered what was inside, we had a go at mixing colours to make Autumn pictures and refined our fine motor skills picking up acorns with tweezers.

We have been discussing celebrations this term, we learnt about **Diwali**, **Hanukkah** and **Christmas**. Here we are getting Nursery decorated for Christmas!

Fantastic behaviour and work

Congratulations to our children who have done extra special work and received a **Head Teacher's Award** this term!

We love to learn...

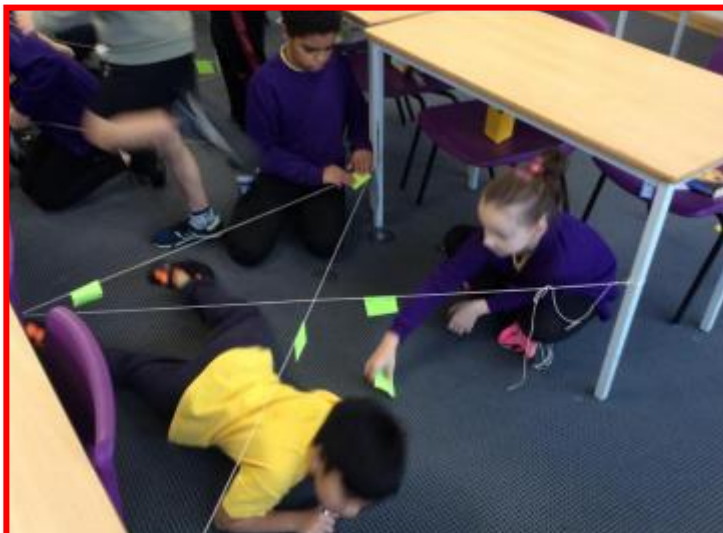

Year 5 have been exploring Geometry this half term. Our tables were marked with various angles and we had to classify (acute, right, obtuse and straight) as many angles as we could.

We then all had a go at measuring the angles.

We also had to work out the angles of the 'laser beams' in our classroom!

Incredible Babies

Looks at a range of issues around the care and support that babies require, as well as providing advice on the promotion of their physical, emotional, social and language development. It also teaches you how to observe and read your baby's cues as well as learning ways to provide nurturing and responsive care including physical, tactile, and visual stimulation together with verbal communication.

Email:
lauren.paynter@southampton.gov.uk

Understanding Behaviour

The aim of this short workshop is to provide a safe, non-judgmental environment for parents to discuss & explore their children's behavior.

- Understand why our children behave the way they do.
- Helps to empower parents to understand behaviours & feel motivated to respond in a more positive way.

For more information & to book your place: Contact Lauren Paynter:
Tel: 02380 915480

Email:
lauren.paynter@southampton.gov.uk

Course information & how to book your place, including venue

MVR (Non Violent Resistance)

For parents/ carers with a child over 7 years of age who exhibits controlling or violent behaviours. This can include withdrawing from the relationship, isolating or hurting themselves as well as becoming outwardly angry and verbally and physically aggressive. The course may be especially helpful for families who have tried other parenting methods and find they need a different approach. The course will teach specific strategies using the concept of peaceful protest.

For more information & to book your place: Contact Lauren Paynter:
Tel: 02380 915480

Email:
lauren.paynter@southampton.gov.uk

Living With Teenagers

The Living With Teenagers Course is aimed at parents in Southampton who have one or more children between the ages of 11- 16 years. The course content includes:

- Managing risk
- Family meetings
- Exploring what it is like to be a teenager today
- Parental wellbeing
- Listening and communication styles
- Expressing and acknowledging feelings
- Privilege removal
- Household rules
- Discipline

For more information & to book your place: Contact Donna Bowen:

Is my child well enough to come to school?

These are the guidelines we have to follow, provided by the **NHS Healthier Together** website. It is useful information as to whether you should keep your child off school or not. So this hopefully will save you phoning to ask whether your child should come in!
If you are unsure, often it is easier to bring your child in and we will always phone you later to collect them if they are really not well enough to be in school.

There are also details about getting tested for Covid 19.

Infection	Exclusion period	Comments
Athlete's foot	None	Athlete's foot is not a serious condition. Treatment is recommended.
Chicken pox	Five days from onset of rash and all the lesions have crusted over	
Cold sores (herpes simplex)	None	Avoid kissing and contact with the sores. Cold sores are generally mild and heal without treatment
Conjunctivitis	None	If an outbreak/cluster occurs, consult your local HPT
Diarrhoea and vomiting	Whilst symptomatic and 48 hours after the last symptoms.	See section in chapter 9
Diphtheria *	Exclusion is essential. Always consult with your local HPT	Preventable by vaccination. Family contacts must be excluded until cleared to return by your local HPT
Flu (influenza)	Until recovered	Report outbreaks to your local HPT.
Glandular fever	None	
Hand foot and mouth	None	Contact your local HPT if a large numbers of children are affected. Exclusion may be considered in some circumstances
Head lice	None	Treatment recommended only when live lice seen
Hepatitis A*	Exclude until seven days after onset of jaundice (or 7 days after symptom onset if no jaundice)	In an outbreak of hepatitis A, your local HPT will advise on control measures
Hepatitis B*, C*, HIV	None	Hepatitis B and C and HIV are blood borne viruses that are not infectious through casual contact. Contact your local HPT for more advice
Impetigo	Until lesions are crusted /healed or 48 hours after starting antibiotic treatment	Antibiotic treatment speeds healing and reduces the infectious period.
Measles*	Four days from onset of rash and recovered	Preventable by vaccination (2 doses of MMR). Promote MMR for all pupils and staff. Pregnant staff contacts should seek prompt advice from their GP or
Meningococcal meningitis*/ septicaemia*	Until recovered	Meningitis ACWY and B are preventable by vaccination (see national schedule @ www.nhs.uk). Your local HPT will advise on any action needed
Meningitis* due to other bacteria	Until recovered	Hib and pneumococcal meningitis are preventable by vaccination (see national schedule @ www.nhs.uk) Your local HPT will advise on any action needed
Meningitis viral*	None	Milder illness than bacterial meningitis. Siblings and other close contacts of a case need not be excluded.
MRSA	None	Good hygiene, in particular handwashing and environmental cleaning, are important to minimise spread. Contact your local HPT for more information
Mumps*	Five days after onset of swelling	Preventable by vaccination with 2 doses of MMR (see national schedule @ www.nhs.uk). Promote MMR for all pupils and staff.

Is my child well enough to come to school?

Infection	Exclusion period	Comments
Ringworm	Not usually required.	Treatment is needed.
Rubella (German measles)	Five days from onset of rash	Preventable by vaccination with 2 doses of MMR (see national schedule @ www.nhs.uk). Promote MMR for all pupils and staff. Pregnant staff contacts should seek prompt advice from their GP or midwife
Scarlet fever	Exclude until 24hrs of appropriate antibiotic treatment completed	A person is infectious for 2-3 weeks if antibiotics are not administered. In the event of two or more suspected cases, please contact local health
Scabies	Can return after first treatment	Household and close contacts require treatment at the same time.
Slapped cheek /Fifth disease/Parvo virus B19	None (once rash has developed)	Pregnant contacts of case should consult with their GP or midwife.
Threadworms	None	Treatment recommended for child & household
Tonsillitis	None	There are many causes, but most cases are due to viruses and do not need an antibiotic treatment
Tuberculosis (TB)	Always consult your local HPT BEFORE disseminating information to staff/parents/carers	Only pulmonary (lung) TB is infectious to others. Needs close, prolonged contact to spread
Warts and verrucae	None	Verrucae should be covered in swimming pools, gyms and changing rooms
Whooping cough (pertussis)*	Two days from starting antibiotic treatment, or 21 days from onset of symptoms if no antibiotics	Preventable by vaccination. After treatment, non-infectious coughing may continue for many weeks. Your local HPT will organise any contact tracing
