

Shirley Warren Summer News 22 July 2022

Shirley Warren Primary and Nursery School, Warren Crescent, SOUTHAMPTON, SO16 6AY

Dear Parents/Carers

As the academic year comes to an end, I want to take the opportunity to say well done and thank you to all of the staff and children who have made this year a fantastic one. As you can see from the pictures throughout the newsletter, there have been some incredible learning experiences taking place this term and throughout the year. We have been able to reintroduce trips, visitors and most importantly opportunities for you to come in and be part of the children's learning. Something that we will continue to increase in the coming year.

This morning we held a special leavers assembly for our year 6 where they sang, shared memories of their time at Shirley Warren and were each presented with a leavers book full of photos and written memories. It was a very emotional experience for all involved! We wish each and every one of our year 6 children all the very best at their chosen secondary schools. Shirley Warren will miss you.

We also held an assembly this afternoon to say farewell to all staff members who are leaving Shirley Warren. We thanked them for all of their hard work and wish them all well in their new ventures.

For those of you returning in September, just a reminder that we have two INSET days on the 1st and 2nd of September. We look forward to welcoming you back on Monday 5th September. Wishing you all a happy and safe summer holiday break.

Mrs Newton
Headteacher

Toad

Article 30

Every child has the right to learn and use the language, customs and religion of their family, whether or not these are shared by the majority of the people in the country where they live.

When it rains, it pours!

Terrapin Class loved the torrential rain we had last month! Some children explored how vehicles travelled through the water and how some objects sank to the bottom of the puddle or amazingly floated on top! As you can see, we also really enjoyed working as a team by counting and jumping in muddy puddles, just like Peppa Pig!

The sun has got his hat on!

The children have been getting more and more confident in recognising the different weather we have been experiencing. To stay hydrated in the heat, the children have mastered the skill of pouring their own drinks to keep cool - even the 2 year olds! We have also been experimenting with ice and observing how it changes and melts in the heat.

Physical development

We regularly look at risky play and follow our school rule "Be Safe". We were very proud of our Terrapin's this term. They have: made their own obstacle courses, used the big children's gymnastic benches and tables, rolled and negotiated space using the big cable reels and swung through our climbing frame! Look how strong their bodies are getting and not to mention how they are waiting their turn without adult help - well done Terrapins!

Terrapins

The Queen's Platinum Jubilee Party

The children became experts about the Queen and her family and celebrated the Jubilee in style. They made crowns, Union Jack flags, paper chains and cheese and cucumber sandwiches to honour the Queen! They played party games and musical chairs was a huge hit - look how excited our winner was! The children absolutely loved being outside for their picnic party and loved playing with the red, white and blue balloons!

NURSERY

We are sad to say goodbye to our lovely graduate children this term. They have worked really hard this year and are ready to start big school. We wish them all the best in their new adventure!

From Terrapins to Year R!
Looking so grown up!

YEAR 3

Year 3 have had a jam-packed summer term! We started with a visit from Iron Age Matt and spent the morning finding out about the different weapons they used and exploring a variety of animal skins. We tried our hand at grinding corn and felt the weight of chain mail. We learnt that a child as young as 3 would be given a slingshot to use.

After lunch we made our own shields and sword tips using Iron Age designs, and also had a lesson learning how to use a spear correctly. We were allowed to aim it at given targets which was great fun!

YEAR 3

In English we read **Stone Age Boy**, which was a real favourite with all of year 3. We explored the genre of portal stories and built up to writing our own portal story. During our Prehistoric World project, we looked at rocks and how different types of rock are formed. We made sedimentary sandwiches to show the different layers of sedimentary rock and how pressure forces them together, then used Starburst sweets to show the difference between how sedimentary, metamorphic and igneous rocks are formed.

After half term, we headed to Pizza Express to learn how to make pizza. The staff also learned very quickly not to leave teaching and become chefs!!

**Thank you
Pizza Express!**

In English, we have written instructions for other people to learn how to make pizza the Pizza Express way, and we have learned all about the different food groups and why it is so important to eat food from all food groups. In our Science unit, we have found out that there are 206 bones in the human body, and have looked at the different ways our joints work. We are exploring muscles and how they work in pairs to help us move. By the end of term, we will also have spent a day baking for our families and then served them our treats in our very own Year 3 cafe!

All your teachers are very proud of you, Year 3, you've had a great term and have packed loads of exciting learning in!

THRIVE

We've been enjoying the warmer weather recently and have been excited to have some more of our sessions outside.

We've asked the children for ideas for the balcony, how to improve it and get more from it. Some of the ideas were a vegetable patch, to have flowers painted on the walls, the decking painted and to have wind chimes hanging. It sounds like enough to keep Miss Bedwell and Mrs Head busy - watch this space !

Year5&6 have been busy trying to brighten up the balcony already using chalk. Hedgehog class have done an amazing display board - they have been sharing positive comments about each other—fantastic!

Here are some activities you could try to help keep you and your family busy over the summer ! We'd love to hear all about it !

MUSIC

The children learning instruments have worked very hard this year and their music teachers have been really impressed. The following children have been awarded Con Brio Awards by Southampton Music Services for their commitment to music making.

Well done to everyone!

Students Name	Instrument	Level	School Year
Annabelle Roe	Flute	Adagio	3
Mircea Ioan	Drum Kit	Largo	4
Timon Hempel	Flute	Adagio	4
Archie Barnes	Drum Kit	Largo	6
Matthew Watkins	Drum Kit	Largo	6
Abigail Blunden	Trumpet	Adagio	6
Alex Klevinskis	Trumpet	Largo	6
Ashley Broomfield	Trumpet	Largo	6
Cassandra Taburnal	Keyboard	Adagia	6
Danielle Sabellano	Keyboard	Largo	6
Dolcie Wilson	Trumpet	Adagio	6
Gavin Sayson	Trumpet	Largo	6
Jireh Balangcod	Keyboard	Adagio	6
Samuel Ife	Keyboard	Largo	4
Schadrach Battad	Keyboard	Adagio	6
Shammah Machakaire	Trumpet	Largo	6
Amara Wing	Flute	Largo	6
Amelia Skeats	Clarinet	Largo	6
Ashley Mundell	Clarinet	Largo	6
Borys Klak	Clarinet	Largo	6
Breeze Jewell	Flute	Largo	6
Brielle McLoughlin	Flute	Largo	6
Laura Petrisor	Flute	Largo	6
Ria Gilligan	Flute	Largo	6
Riley Weeks	Flute	Largo	6
Tommy-Lee Cowell	Flute	Largo	6

"There is nothing like hearing a song and having it make you feel like you can move mountains."

The expert in anything was once a beginner.

Spotlight on Year 6

Year 6 have been busy this term studying the Southampton area. As part of this we read a fabulous magazine about looking after the oceans - we all became very passionate about this subject and we then carried out some great science investigations about pollution.

We all made predictions about how oil would behave in water - to simulate an oil spill.

Key science vocabulary that we used was: predict/ observe/discuss/plan /conclude.

Everyone carried out their own investigations and wrote an excellent science report.

Proudly wearing their Leavers Hoodies!
They look so smart!

YEAR 4

It's been an incredibly busy term for year 4 covering both the **Greek** and **understanding our bodies**.

The half term began with children practising and performing their Greek production : **The Minotaur**. This was an incredible achievement for the children as many of them had never done anything like this before. As a result of their hard work and dedication, they produced a play that retold the story of Thesus and Minotaur in addition to developing their own speaking, listening and presence on stage.

Year 4 then began to consider our bodies and how they work. Children began by following instructions and baking their own cookies before making adaptations to try different combinations. Of course taste testing the cookies was vital in order to decide what to sell at our Summer Fayre.

We then began to consider how food moves through our bodies. You will see the children had fun crushing , grinding and taking nutrients out for our experiment as we considered the digestive system as a whole.

INTERNET SAFETY

Internet Safety

While the digital world offers a range of information and opportunities, it can be tricky for young people to separate fact from fiction and know who or what to trust. To make the most of the internet, children need to make smart decisions. As a school, we follow the **Google Be Internet Legends program** to empower our children to use the web safely and wisely, so they can be confident explorers of the online world.

Tackling fake news: Fake news (misinformation and disinformation) seems to be everywhere and it can be difficult to know what you can trust online.

- Explain to children that it is important that they don't take everything at face value.
- Encourage them to question things – does it look right? Have they seen the story elsewhere? Where did they find it? Was it shared on a site?
- One thing that we can all do to limit the spread of dubious content, is to be very careful before sharing content that could be misleading – check it first and if in doubt don't share!

Making and managing relationships online: More and more children are choosing the online world to grow their friendship circles and form relationships. It's now more important than ever to help them develop critical thinking to make safe choices with the people they interact with online.

If someone that they are connected to says or does something that makes them feel worried, upset or frightened they must speak to someone and block or report them.

- Advise them to think carefully about the information that they share and why they have been asked for it.
- Talk to your child about peer pressure so they don't feel under pressure to do anything that they don't feel comfortable with online.

INTERNET SAFETY

BE INTERNET SECURE

Protect Your Stuff

Managing personal information online:

With

the growing number of scams, malware and viruses circulating, it's important to give children tools to manage their personal information. Here are some simple things you can do to keep your family's devices and personal information safer.

Remind children of the importance of passwords – the length of the password determines how strong it is and how likely it is to be cracked. The latest advice is to use three random words to create your password but of course it's important not to use things like our child's name, our partner's name or other things that are too easy for someone to guess.

- Don't share passwords - Many children will share passwords with their friends and often know the passcodes for each other's phones and accounts. Having a conversation with children about why this could cause problems is important.
- You should also ensure that your child's devices are protected with anti-virus and malware protection.

BE INTERNET BRAVE

When in Doubt, Discuss

Social Media: As a parent it's important you know that all social networking platforms have age limits. The following all have a minimum age of **13+**: BBM, Facebook, Facebook messenger, foursquare, Instagram, TikTok, Reddit, Snapchat, Flickr, Monkey, Discord, Tumblr, Groupme. Whatsapp has a minimum age rating of **16+**.

- Many sites include an instant message function which allows private conversations between site members.
- Some app versions of social networks use the location of the phone.
- Information shared between friends can be easily copied and may spread
- It isn't easy to take back information that has been posted – and can be impossible if it's already been shared.
- Not everyone your child meets online will be who they say they are. Chatrooms and forums can connect people who are complete strangers and can be unmoderated.

BE INTERNET SHARP

Think Before You Share

- **Sharing images:** Many of us share images online and social media in particular is a great way to exchange images with family and friends.
- When they share an image with friends or post it onto a social media site – do they check that everyone in the image is happy about that? Does it matter? Do they think they need to? Has anyone ever posted an image of them that they weren't happy about?
- Are your children comfortable with you sharing content – do you check with them first?
- Talk about peer pressure so your child understands that you recognise that they could be pushed into something that they don't feel comfortable with.

INTERNET SAFETY

Setting up safely:

Whichever devices your child is using to get online, they all have tools and settings that can give you and your child more control over the content that can be accessed, the amount of time they are able to spend on different platforms and who is able to contact them.

Explain why you are setting up some controls on your child's device. Just as there are rules in the offline parts of their lives to keep them safe, there also needs to be some guidance and boundaries when they are online.

If you require further information or support with internet safety, the following websites may be useful:

<https://www.internetmatters.org/>

<https://www.saferinternet.org.uk/>

<https://nationalonlinesafety.com/>

If you have any questions or require further support, please contact the school's computing lead

Have a good and 'internet safe' summer.

FROM THE OFFICE TEAM

After School Club and Breakfast Club

We continue to run our Breakfast Club, from 7.30am (£3 a day) and our After School Club to 5.20pm (£9 a day). If you need to book your child on it, please contact the office. Payment must be made in advance. Thank you.

Change of Phone Number or Email Address

Please make sure you let the office know if you change your phone number, email or if you move house. ***It can be very distressing for your child if they are ill and we are unable to contact you.*** It will also mean that you may not receive urgent texts or emails sent by the office.

Collecting your child

If you need to contact the school about a change of person collecting your child at the end of the school day, please could you do this by **2.30pm**. After this time it can get busy in the office and we don't always have staff available to get a message to children. Obviously in an emergency we will make sure your child gets informed of any changes. Please advise your child that if there is ever no one to pick them up, to go to the School Office where they can wait and we can contact parents. Thanks.

Please only collect your child before the end of the school day if it is absolutely essential. We may ask for proof of medical appointments.

If your child is not coming to school...

Please phone the school office **before 9am if your child is not coming to school** and let us know the reason why. If we have not heard from you, you will either receive a text or a call from the admin team to find out where your child is. This is an important part of our safeguarding procedures. We may call a second time if you do not call back.

Is my child too ill to come to school?

Unsure if your child is well enough for school? Please check out this on our website on the **Parents** page using the **Advice on Childhood illnesses** link

<https://www.what0-18.nhs.uk/>

Thank you for your continued support and patience at our busy times. Thank you also for the kind gifts the office received.

Have a great summer break.

Claire, Sarah, Amy and Nina

Year 1

Year 1 spent a wonderful day at Longdown Activity farm, feeding and stroking the animals and learning about their habitats. What a memorable experience for the children!

YEAR 5

During summer 1, year 5 have learnt all about Africa. This involved reading 'Journey to Jo'burg' during our English lessons and spending the afternoons researching the continent and drawing up our findings.

We studied African artist Esther Mahlangu and created our own designs which we painted onto clay, inspired by her work.

As part of our Africa project, we were lucky enough to have The Music Hub come in and teach us some songs that some of us were able to sing at a concert linked with Kenya. We practised these and learnt the dance routines - the concert was a huge success!

Throughout the summer term, we have been focussing maths lessons on multiplication and division and area and perimeter. Here are some examples of us thoroughly enjoying our lessons.

YEAR 5

We have really enjoyed our Summer 2 project; comparing London to Rio De Janeiro. This project has allowed us to email people from Rio considering moving to London, to inform them of the differences and similarities between the two. To do this, we went on a trip to London to fully understand what our capital city has to offer and also to immerse ourselves in our text driver; The London Eye Mystery. Our final writing journey of the year has been creating our own mystery story, inspired by The London Eye Mystery, which we have published into pop up/moving books.

Golden Jubilee Bridge

About to board The London Eye!

The London Eye

YEAR 5

River Cruise down The Thames

What a fantastic day Year 5 had in London! Thank you to the adults that made it possible.

Creating our own novels inspired by The London Eye Mystery and publishing them into our very own pop up books.

We also really enjoyed our inter-house class sports day, where we competed in bean bag relay races, throwing activities, tennis races, hockey, golf, hula hooping and bowling.

Summer Fair News

Sadly, the extreme heat lead to our Summer Fair being cancelled. Despite this, we were still able to do some fundraising. Thank you to all the parents, staff, children and PTFA committee members who gave up their time and contributed to or supported the following events:

The Raffle - the PTFA team organised some fabulous prizes and lots of tickets were sold, raising £316.00

Year 4 Cookie sale – due to ingredients having already been purchased, this went ahead. It was a great success and raised £55.00 So sorry if the cookies sold out before you managed to buy some!

Second-hand uniform sale - Thank you to all of the kind parents who donated pre-loved uniform! This was a very popular sale and we will be running another one in September. Please send any donations in to the school office at any time. We also raised £83.50 for school funds

Enterprise Challenge

The money raised for the Enterprise Challenge by the non-uniform day and the prizes or resources already purchased with the money have been returned to the PTFA to be used at future events. There will be some money to buy some playground toys for September, and our fundraising efforts will continue.

Thank you so much!

Many thanks to the following **local companies** who donated prizes for the raffle. We are so grateful for their support, so please support them back if you can!

Thompsons on Warren Avenue – sweets and chocolates

Shirley Swimming Pool – Free family swim passes

The Quays Swimming Pool – Free family swim passes

Testlands - holiday play scheme places

Harvester – fruit hamper

Longdown dairy Farm

Romsey Crazy Golf

Sea City Museum

And a special thank you to our own Mrs Worley who donated the hamper of toys and games!

Year R

We were lucky enough to have a visit from **many farm animals**. We stroked them and helped brush them. We saw sheep, ducks, goats, pigs, a donkey, a turkey! It was such good fun and some animals we had never seen before!

Superhero cape making using material

Poster making to find the **evil pea** from our Supertato story!

Adding and taking away this term

Above—The Evil Pea trapped the vegetables. These are our surprised/worried faces!

And Left, Squashing the evil peas!

The Queen's Jubilee Picnic

Year R

During our **People Who Help Us** topic some of our kind grown ups came to talk to us about their helping jobs. We loved every single visit we had!

Following the children's interests, we **set up a spa!** We made a nice, cool foot spa, had snacks and calming music.

The big boys from **Year 6** came to help us with our learning.

Bumblebee came to visit us at school. We were so excited to see him (especially finding out he had a beard!)

A message from the NHS re Covid vaccine

NHS encourages children aged between 5 and 15 years to get their COVID-19 vaccine over the summer break

We know some children feel nervous about getting their COVID-19 vaccine, so Solent NHS Trust and the Hampshire and Isle of Wight Integrated Care Board (ICB) have created [this short video](#) with Issy, aged nine, on what it was like for her coming in to get vaccinated. Children aged 5 to 15 years can receive two doses of the vaccine and given the rise in COVID in the community over recent weeks, it is important to help protect them and the people they meet before winter.

Children aged 5 to 11 are offered two smaller doses than older children and adults, with a gap of 12 weeks between doses. They can get their jab from many easy to reach locations including walk-in clinics, bookable appointments, or their local pharmacy. Parents and guardians can book an appointment or find their nearest walk-in clinic and time at www.nhs.uk/covid-vaccination

We understand that some parents may have questions or concerns about getting their child or themselves vaccinated. If you would like to talk to someone about this, please contact the Hampshire and Isle of Wight NHS vaccination helpline on [0300 561 0018](tel:03005610018).

We hope these places to eat will help you feed your children over the holidays—there are some amazing offers!

PLACES WHERE KIDS EAT FREE (OR FOR £1) DURING THE 6 WEEKS SUMMER HOLIDAYS 2022
COURTESY OF MONEY SAVING CENTRAL

ASDA CAFE Kids eat for £1 all day, every day with no adult spend from 25th July - 4th Sept 2022.	WHITBREAD INNS Two kids under 16 eat for FREE with every adult breakfast purchased
FUTURE INNS Under 12's eat for free with any adult meal during the school holidays	MORRISONS Spend £4.99 after 3pm daily & get one free kids meal (usually all day during half term)

Year 2

This summer term year 2 were lucky enough to be able to visit the brilliant Marwell zoo to help with our 'Safari' topic. The children had a great time exploring the zoo and seeing all of the different animals - the meerkats were particularly popular. The children had great fun and we were so proud of their behaviour throughout the visit, they were absolute superstars!

We have an exciting opportunity to become a **governor** for the school. Governors are responsible for overseeing the management side of a school: strategy, policy, budgeting and staffing. They enable their school to run as effectively as possible, working alongside senior leaders and supporting teachers to provide excellent education to children. Being a school governor is a commitment to attending governing body meetings which consider issues such as setting the school vision, mitigating financial risk and scrutinising educational outcomes. They are also involved in the school community, acting as critical friends to the headteacher and senior leaders. If you are interested in becoming a governor, **please contact Sophia Ship** for more information.

School Governors

Easter 2023

When planning your holidays please be aware that the Easter weekend will be in the middle of the fortnight break in 2023
Good Friday is on 7th April 2023 and Easter Monday is on Monday 10th April 2023

There are **THREE CHOICES** every day!
More reasons to try different school dinners!

Every choice comes with seasonal vegetables, salad, different types of potatoes or chips on different days
and...
There is a variety of **hot and cold**

Week 1 Week Commencing Monday 19th September Monday 10th October	Blue (Meat/Fish)	Yellow (Vegetarian)	Purple
Monday	Mild Chicken Curry	Vegetable Goujons	Jacket Potato with Cheese
Tuesday	BLT Wrap	Cheese and Tomato Pizza	Lemon and Pepper Chicken
Wednesday	Veggie Fajita Pocket	Mac n Cheese (butternut)	Cheese ploughman's
Thursday	Roast Chicken and stuffing	Sweet Potato whirl roast	Tomato Sauce pasta
Friday	Breaded fish	Creamy tomato pasta	Jacket Potato and Baked Beans

Week 2 Week Commencing Monday 5th September Monday 26th September Monday 17th October	Blue (Meat/Fish)	Yellow (Vegetarian)	Purple
Monday	Saucy Turkey Meatballs	Vegetarian sausages	Cheese ploughman's
Tuesday	Bubble Salmon	Cheese and Tomato Pizza	Jacket Potato and Tuna Mayonnaise
Wednesday	Spanish Omelette	Vegan Sausage Roll	Vegetarian Bolognese
Thursday	Savoury Beef Mince	Cheese Pasty	BBQ Chicken wrap
Friday	Fish Fingers	Jerk Spice Sweet Potato curry	Rainbow Pitta

Week 3 Week Commencing Monday 12th September Monday 3rd October	Blue (Meat/Fish)	Yellow (Vegetarian)	Purple
Monday	Pork sausages	Vegetable Dhansak	Jacket Potato and Baked Beans
Tuesday	Tuna Fishcake	Cheese and Tomato Pizza	Tomato Sauce pasta
Wednesday	Fruity Chickpea Tagine	Quorn Nuggets	Jacket Potato and cheese
Thursday	Roast Chicken and stuffing	Veggie Roast	Turkey Ball Sub
Friday	Fish of the Day	Vegetable Cakes	Cheese and Broccoli Pasta

Dinners **MUST** be paid for in advance. They cost **£2.50 per day**. Payment must be made **online** as we do not accept cash in the office.
If you think you may be eligible for free school meals, please contact Mrs Worley, Mrs Cookson or Mrs McCubbin in the school office. Thank you.
