

Shirley Warren Autumn News

Shirley Warren Primary and Nursery School, Warren Crescent, SOUTHAMPTON, SO16 6AY
21st October 2016

Dear Parents and Carers,

What a fantastic start to the year; the children have worked so hard! You will see from this news letter the range of fun and engaging learning experiences that the children have enjoyed: We celebrated Harvest and collected lots of food for the Basics Bank; we decorated the Harvest table with our own school grown pumpkins (thanks to our Eco Club) and the children loved dressing up for Roald Dahl day.

As a whole school focus this half term, we have been learning all about 'Growth Mindset'. We are really committed to helping the children to see that perseverance in their learning is an important part of the journey and that they can always improve by enjoying challenge.

I would like to take this opportunity to say thank you for all of the hard work that you have been doing at home this half term in partnership with us. In particular, we are delighted with the support you have given to your children to progress with their mathematical skills; this is really having a big impact on the maths journey that they are making in school. In addition to this, we have made a great start to this year's school attendance and punctuality. Last year, we outperformed the national and beat our school target!

In further support of strengthening the work that we do together, it was great to see so many of you at parents' evening; teachers have very nearly met all of you over this week. If however we have been unable to catch up with you, your child's class teacher will contact you to offer an appointment after half term.

We had a great end to the half term with our Halloween Disco and the children had a wonderful time! Of course, I would like to say a huge thank you on behalf of the school to the 'Friends of Shirley Warren' for organising and running the event. All proceeds will help to keep school trips affordable.

Headteacher

Article 3

The best interests of the child must be a top priority in all things that affect children.

News from the Friends of Shirley Warren...

Your Parent Association! Your way of getting involved!

We have been busy this half term planning for our Halloween Disco and raffle where the prize was a fantastic Haunting Halloween Hamper...everything you need for a fantastic party. Also thanks to all parents who donated cakes for our cupcake sale! Coming up next half term will be our Christmas Raffle so watch this space for other events taking place around this time!

As always anyone is welcome to join our friendly group and our next meeting will be held on Thursday 3rd November at 9.00am.

Many thanks for your continued support.

Shirley Warren Football Club

For the first time in many, many years the school have a football team in a competitive league and so far they have done themselves immensely proud. The first week saw us away to Townhill and Thornhill . The teams were two very talented sides and we were very unlucky to lose 3-1 and 4-1. The goals in each game scored by Ashley. In our second week, we played Thornhill for the second time. The whole team played their socks off and fought hard to grind to our first win of the season. The game finished 1-0 and another fantastic finish from Ashley. A solid performance in goal from Harvey, some brilliant tackles in defence from Patrick and Tilly as well as some hard work across the pitch from Rafael, Sam, Ryan and Oscar saw us through to our first 3 points. Our third week saw us come out on the wrong end of a 3-1 result to Bitterne CE which was a tough test. From the first week we started, every single player has moved forward a significant amount. A really big well done to everyone in the team and keep up the hard work, I am sure the results will eventually fall our way.

Ryan Ship Testlands

(Thanks to Ryan for managing the team!)

From 31st October we will be selling poppies for the 2016 Royal British Legion Poppy Appeal. They will be available from the office.

Thank you in advance for your support for this very worthy cause helping the armed forces community.

Further details about the Poppy Appeal can be found on their website:

If your child is not coming to school...

Please phone the school office before 9am if your child is not coming to school and let us know the reason why. If we have not heard from you, you will either receive a text or a call from the admin team to find out where your child is. This is an important part of our safeguarding procedures.

Is my child too ill to come to school?

Unsure if your child is well enough for school? Please check out this excellent website:

<http://www.what0-18.nhs.uk/parents-and-carers/should-your-child-go-school-today/>

We are sure it will help you decide whether or not you should send your child to school.

Please remember that if your child has **sickness or diarrhoea**, they need to be **clear** of this for **48 hours** before returning to school. This link is available from our website, from the school nurse page.

Online Payments

Where possible, please pay online for trips, dinners and uniform - it saves you coming to the office and it saves us handling cash! If you haven't got an account, please come to the office for a password.

Data Collection Sheets

We recently sent out Data Collection Sheets to everyone. Thank you to those who have already sent it back. If you still have it at home, please check it for any changes and return it to school after half term. It is so important for us to have the correct contact information, especially if your child is unwell. It can be very distressing if your child is poorly and your number is unobtainable. Thank you.

Lost Property

We continue to have a **vast** amount of unclaimed, unnamed school uniform. If **items are named** they can be returned to the child instantly. There is a full lost property box in reception which will be passed on to a charity shop in November if unclaimed. Please check it regularly if your child has lost anything. We would like an empty lost property box! Thank you.

Office Duty

A huge thank you to all the Year 6 children who have been helping us with Office duty this term. They have been brilliant and are a credit to you. We will soon be asking Year 5 if they would like to help us in January

From Claire,
Sarah,
Natalie and
Donna

Thank you for your continued support and patience at our busy times.

The second half of the term will see the start of rehearsals for all our wonderful Christmas productions.

Watch out for letters coming home so you can get tickets for our Christmas festivities!

The Warren Centre is a community facility based on Shirley Warren Learning Campus.

We have a range of rooms which are available to hire on weekdays, evenings and weekends.

We have a Large Hall, shared Kitchen Area, Meeting Rooms with Projector Screen and an IT Suite with internet access and Wi-Fi.

Additionally we have photocopying facilities, disabled access, toilet facilities and parking.

For rates and availability please contact Donna on the details below.

School Attendance Matters

A huge **thank you** for bringing your children into school every day and on time!
Our attendance so far this year continues to improve and currently stands at

This year we are again giving out tickets each week to children have been in school **all week (and not late)**. These tickets are being put in the box by the office and we will draw our bike winner in July. It is great to see so many children coming down to the box! Keep it up!

We will be having a visit from Sam the Attendance dog in Assembly next term!

ROALD DAHL DAY

In September we celebrated Roald Dahl day—the 100th anniversary of his birth. Many children dressed up as a character from one of his books and we read his stories and did activities during the day.

We had a competition to invent a chocolate bar. This was won by Ewa Czaban in 5C. The class won a class pack of Roald Dahl books! Happy reading 5C!

 Featuring Read Aloud

Thank you so much to all the volunteer adults who have supported our children by hearing readers throughout the school this term. The children are really benefitting from your support. If there is anyone else who can spare an hour or more to join our amazing band of volunteers, please contact me and I will put you to work as soon as possible!

Fun in Nursery

In Nursery we have been busy learning about Autumn and the Harvest Festival. We have also been developing mark making skills by using pens attached to cars, spray bottles and doing lots of multisensory activities to make our fingers nice and strong and reading for writing!

We have spaces in our Nursery if you have children aged 3 and over!

Keeping healthy

Reception had a visit from Shirley and her friend Sydney the snake to talk to us about **brushing our teeth**.

The children brush their teeth every day at school in Year R, Nursery and Pre-Nursery.

Dance with Miss Roni

Children learn a lot through dance. Here is what they have been doing this term:

The **Year 1** curriculum link of Charlie & Lola's favourite food helped us create a polyrhythmic song and dance about healthy eating through and also helped us explore body shapes, positions and levels.

Year 2 dance topic for the term is 'All About Me' where they are exploring unison and gesture movement.

The **Year 3** curriculum link is My City and we created a polyrhythmic exercise to help us remember key locations and activities within Southampton. This was further developed with the 'hold, change travel' exercise that helped each young person explore how technical details can help us create interesting travel pathways.

The **Year 4** curriculum link is 'Africa' and we are working in small groups to create our own tribal greetings, customs and myths which we are exploring with movement through unison, levels, jumps, turns and taught phrases.

OUT AND ABOUT

Year 6 had the opportunity to go back in time at the Watercress Line, where we were evacuated just like children would have been in World War 2.

Year 4 visited Tudor House in Southampton and had fun experiencing life in Tudor times

OUT AND ABOUT

In **Year 2**, we've been busy learning about castles and knights. We visited Portchester Castle as our significant local place for our history learning. We found out lots about what castles looked like when they were first built, and got to climb the tall, dark keep all the way to the top of the roof.

We were so lucky to have a sunny day too!

We love our Clubs!

The children have been enjoying 17 clubs this term:

Basketball, art, board games, football, hockey, ICT, ECO, dance, art and craft, gymnastics, cross country, gardening, and percussion. Many children have been able to do two clubs. More club photos next newsletter!

Cross Country
at Stoke Park

MUSIC

The choir have got off to a great start this half term with nearly 100 children joining us! We had an amazing time singing with Gospel singer Ray Sydney when he came into school.

Our percussion club is sounding great with Matt from Music Services in the hall on Friday afternoons. There are still spaces if your child would like to join the Percussion Club!

COMMUNITY CHOIR

Do you enjoy a good sing? Then why not come along to Shirley Warren Community Choir. We are a small, friendly, choir, open to everyone, any age (children must be accompanied by an adult). We meet every Thursday in term time, from 3.15-4.15 in the Parent Partnership room. FREE TO ALL!

Pre-Nursery Sing-a-long

On Wednesday we held two sing-a-long sessions for Pre Nursery parents so they could join the children in singing the nursery rhymes we have been learning this half term. There were some great renditions of The Grand Old Duke of York, Humpty Dumpty and Hickory Dickory Dock with instruments being played too! It was lovely to have a few little brothers and sisters joining us as well.
