

# Shirley Warren Summer News

Shirley Warren Primary and Nursery School, Warren Crescent, SOUTHAMPTON, SO16 6AY  
19th July 2018

Dear Parents and Carers,

This term has flown by as the children have been very busy and we have lots to celebrate.

We have had very hot weather but were able to go ahead with our Early Years Sports day. It was lovely to see the children having such a good time. A big thank you to our Testlands coaches for a fantastic day.

Our children and PTA 'Friends of Shirley Warren' have raised even more money this term. They held a wonderful Summer Fayre and disco. Together it has raised over £1000. This is a massive help to ensure our children continue to have outstanding computing resources. Another big thank you to Miss Allen, Mrs Dinnage, PTA and Mrs Worley. I would also like to thank Helen Collins for spending hours stuffing teddies into hundreds of cellophane bags for the Summer Fayre!

The children have been enjoying a range of school trips linked to the curriculum,;parents who have supported on these trips have shared how impressed they have been with the behaviour of all of our pupils. Thank you if you helped on any trip.

This is a request to ask parents to remind children not to sit on the retaining wall on our KS1 playground. This wall borders different levels of the playground. The ground behind the wall is lower than the playground and children may not remember this. This will help us avoid any accidents.

We have three staff starting their maternity leave. We wish all the best to Miss Neofytou, Miss Lynch and Mrs Donovan. Mrs Donovan gave birth to a healthy baby boy on Tuesday. We look forward to seeing these amazing staff back with us again after their leave. We are happy to be welcoming back Miss Cooley and Mrs Locke from their maternity leave. We also wish Mr Burton, Miss Waterfield and Miss Trollope all the best as they take up new teaching jobs in September.

We have several teaching assistants, who as graduates, are now leaving us to start their teacher training. We wish Miss Long, Mr Smith and Mrs Mohamed all the best on the next stage of their teaching journey, and Miss Walsh and Mrs Boys best wishes as they leave us.

At this time of year, we are also saying goodbye to our wonderful Year 6 children. We are extremely proud of them and all they have achieved. Their secondary schools are receiving talented and amazing children. We hope they pop back to see us.

We hope you all have a fabulous summer holiday and see you in September,

Best wishes

Mrs Mann

## Article 15

Every child has the right to meet with other children and young people and to join groups and organisations, as long as this does not stop other people from enjoying their rights.

# We love to learn...

## READING CARD CHALLENGE

Reading cards returned this term!

RG	RS	1L	1S	2J	2S	3N	3S
45	26	65	68	67	68	97	32
4L	4T	5C	<b>5M</b>	6C	6D		
39	61	145	<b>159</b>	103	141		

Children need to read 10 times to complete a card. The winning cards were drawn in assembly on Thursday. The winners receive a book!

Well done to class **5M** - fantastic reading, keep it up!

Keep reading over the summer holidays!

In **Year 4** this term, we have been having a go at using our knowledge of programming and de-bugging computer instructions in order to create Lego creations that move. We inputted instructions into the computer and then had a go at making our creations move, following instructions that we were given. It required lots of patience, perseverance and concentration, but we got there in the end!

## Sports Leaders

Over the year, the Shirley Warren Sports Leaders have been training to plan and deliver sports to children across the school. They have been out at lunchtimes running fun activities with Key Stage 1 and have assisted our coaches with a Year 1 lesson!

Mr Stanley and Mr Ship have been blown away by their patience, dedication and leadership skills and said that they were absolutely amazing in the Year 1 lesson. Well done Sports Leaders!

If you are in Year 4 or 5 and think you might make a good Sports Leader, make sure you let Mr Ship or Miss Dickinson know as we'll be looking for new Leaders next year!

## Parking Reminder

**We cannot allow parents to park in our car parks for drop off to Nursery or school. We ask that you find parking on the street and walk the children in to school. The Warren Centre receives no external funding and depends on bookings and therefore availability of parking spaces. Thank you for your support.**

## News from the Friends of Shirley Warren..

A HUGE thank you to everyone who came and supported the summer fete.

### We raised an amazing £1003 in less than an hour!

A very special thank you to **Helen Collins** who went above and beyond to support the event.

The money raised will go towards buying Chromebooks for those children with additional needs around school. This will mean that we have now bought **6 Chromebooks** that will be used throughout the school. Thank you everyone!

We hope everyone enjoyed the summer disco despite the heat!

We will be meeting on **Wednesday 12th September 2018** to set out our events for the year. Please come along for tea and cake and join our lovely team.

PTA, Becky Dinnage and Michelle Allen

# Football Tournament at Testlands

**DON'T BE  
THE SAME.  
BE BETTER.**

We had an unlucky start, losing to Moorlands (who went on to win the entire tournament) and Springhill B. This put us into the B league.

However after lunch, the games flipped our way as we went on to beat Bassett Green 2-0, Springhill B 3-0, Banister B 6-0 and Banister A 1-0!

There were some superb passes and interceptions - Miss Dickinson was very proud to be on the sidelines cheering them on!

The tournament ended with us **winning our league**.

**Congratulations boys** - you have worked so hard this year and after that great performance, you deserved to win!

Year 4 have been swimming this term and achieved the following levels:

**Well done Year 4!**

**Don't forget that school uniform is now purchased online at:  
[kidsandcodirect.co.uk](http://kidsandcodirect.co.uk)  
 We no longer sell uniform at school.**

## After School Club

After School club continues to run everyday from 3-5.30pm, for children from nursery to Year 6! We have lots of activities going on, from arts and crafts, baking cakes, board games and outside play. Please speak to the office if you'd like to join us! It costs just £8.50 or even less for Nursery children. Great value childcare while you work!

## FRENCH CAFÉ

Salut!

At our final family learning workshop this year, parents and pupils were invited to come along to our French Cafe.

It was a great opportunity for everyone to learn how to order food and drink and then tuck into a selection of delicious French pastries, fresh fruit and yummy French cheese. It was fair to say that the eating was definitely the best bit!

Thank you to all of the parents and children that have supported our family learning workshops throughout this year. It has been a lot of fun and we hope you have enjoyed learning new skills with your child.

# Our Superstars!

We are pleased and proud to celebrate the behaviour of the following children:

## Year 6 go to Woodmill

After all their hard work with SATs, Year 6 headed to Woodmill for an overnight camping experience! For many, it was the first time they'd ever slept in a tent and we were all very excited...

We got to try lots of different activities such as climbing, archery, tunnelling, raft building and crate towers. What a fantastic time we had!

Good luck Year 6 - we wish you all the very best in your new schools. You will be amazing and we will miss you!

## Green Council

PCSO Louis De'Ath came to tell us about his job.

He also works at Redbridge Fire Station. We thought that the police arrest people, give warnings, investigate and help at car accidents. We found out that most importantly, they help people!

Louis is a **PCSO. A Police Community Support Officer.** If you are lost and you see him, he can help you. He wants to make sure everyone is OK. He showed us his special radio. He likes cycling along Warren Avenue.

He said the biggest thing we can do to help the police is to talk to them! Tell someone you trust if something is happening that isn't right. Just like in school, we need to talk to each other to help everyone be safe.

Sometimes he has to check if there are children playing safely, and he reminded us to take care on the roads and look both ways. We are going to remind our class how to stay safe.

Green Council visited Aldermoor Community Farm to see how Richard and the team Reduce, Reuse and Recycle, and also to reward our Green Council reps for working hard all year on Pupil Voice issues. We picked radishes, fed the chickens and plaited garlic! It's hard work being a farmer but was such good fun.

## Year 2 trip to Lepe Country Park

On 13th June, 2J and 2S went on an exciting trip to Lepe Beach and Country Park. This linked in with our learning about the seaside. We had gorgeous weather and got up to lots of fun! We enjoyed going on a minibeast hunt, making some woodland art and doing some brass rubbings on a nature trail. Everyone had a lovely day and I'm sure lots of us can't wait to visit again!

## Attendance

Congratulations to class **5C** who had the best attendance this year! They spent a great day in the sunshine last week at the Beaulieu Treehouse Study Centre, making shelters and learning about orienteering. Well done and thank you for making sure your child came to school!

All year the children have been putting bike tickets into the large box by the Office. If a child has 100% attendance and on time in a week, they get a ticket towards the draw for a new bike. The draw was done last week by two members of the Green Council and Mikolaj Roik (6D) was the winner. He will now go to the Cycle Hub in Shirley to choose his bike and all the bits to go with it.

Well done Mikolaj !

Thank you Krystian and Rhiannon for picking out the winning ticket!

Congratulations Mikolaj! Have fun choosing your new bike and stay safe when riding it!

## Y5 Trip to London

London's Calling!

Based on our Summer Term novel of 'The London Eye Mystery' we've been writing a narrative in the role of Salim, a character who manages to disappear from his family who have arranged a day exploring London. We spent the day 'tracing' his steps, beginning with an exciting trip on the London Eye, followed by a picnic aboard a River Thames Cruise! It was a memorable day spent in the capital city, which was enjoyed by all and really helped to inspire us with our writing.

## Happy 70th Birthday NHS!

**Year 2** had some very special visitors this month from the NHS to celebrate its 70th birthday.

A lovely Chief Nurse came and spoke to us all about the NHS and how it had changed in the last 70 years. We told her lots of information about the nurses that we had learned about this year; Florence Nightingale, Mary Seacole and Edith Cavell. Then, some of us did an experiment with germs to see how good we were at washing our hands. We put special cream on our hands, then washed them and then put our hands under the special lights. Luckily, most of us in Year 2 were expert hand-washers, so no germs here! After that, we did arts and crafts and made stethoscopes and nurses hats.

We all had such an awesome morning! **Happy 70th Birthday NHS!**

Next year we will be hosting a programme called **'Safe. Talk. Thrive'**, run by **Women's Aid**. This 8 week programme is a play based therapy group which aims to help build stronger, healthier relationships for mothers and children who have been affected by domestic abuse. More information to follow in September.

We are collecting  
donations for  
**The Red Box Project**

Thank you for  
donating packets

# CELEBRATING MUSIC AT SHIRLEY WARREN

Cord Elektra entertain KS2

Nursery enjoy an end of term sing-a-long!

This half term, children from the KS1 and KS2 choir took part in the Southampton Schools Music Association Big African Sing project.

A singing coach from the music hub came and delivered a workshop where children learnt to sing lots of African songs. We then went to the Central Hall in Southampton to join in a super-sized African music celebration, led by professional workshop leader, Rosie Bergonzi.

The children sounded amazing and it really was a goosebump moment to hear them sing together with nearly 800 other children from around the city. Well done Shirley Warren!

# SPORTS DAYS

**Early Years** had a great Sports Day, running, jumping, cycling, balancing, using their hockey skills, throwing and generally having fun!

We were unable to have the KS1 and KS2 Sports Days due to the very hot weather.

## We enjoy our clubs!

### hamabeads

This academic year we also had our Hamabeads club after school. Children designed their own shapes, using colours, using patterns, or more often, using their imagination. All the time, they were concentrating and very involved in the action. Hamabeads helped them to learn patience and humility by solving problems. Sometimes, it was very easy to destroy their project work, but over time, children were more mindful of their activity and they learned to care and organise their workspace.

Julia Layton

### Gardening Club

In the Summer term 2018, the children from the Gardening Club showed they were green-fingered indeed. Just watch our vegetable patch at the back of the KS1 playground! We tried our hands at different seasonal works, like sawing, planting, weeding, watering, digging out flower bulbs, decorating cane heads and harvesting radishes. We planted a variety of vegetables and flowers. We produced our own seedlings of tomatoes, broccoli and pumpkins. For the first time in this club, we planted pepper, chilli, corn, leeks, parsley, carrots, lettuce and gourds.

Grazyna Wilk

It was exciting to see our vegetables germinating and growing. We can't wait to see the fruits of our work after holidays!
