

# Year R Homework Grid

Each week, please complete one of the activities from the grid below. Don't forget to take a photo and upload it to Tapestry to help us celebrate what you are getting up to at home.

## Activities you might like to do at home:

### Salt dough Dinosaur bone!

Get creative and make a salt dough dinosaurs bone following this recipe:  
- 1 cup of plain flour  
- ½ cup of salt  
- ½ cup of warm water

Mould into shapes and bake at the lowest oven temperature for 3 hours or until dry.

### Rainy walk

The weather is truly wintery! Why not go for a welly-walk in the park or forest. Can you make footprints like a dinosaur or be a detective and spot some footprints. What animal could it be?

### Animal detective!

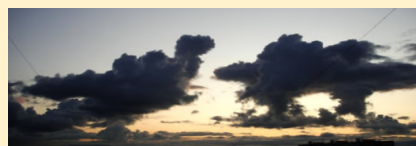

Find out about what different animals eat. Watch the video and find out what an [omnivore](#), a [herbivore](#) and a [carnivore](#) are.

Then share your findings. You could draw a picture, film yourself speaking, make a book or paint a picture!

### Cloud Dinosaurs!

Take a blanket outside and lay down. Look up at the sky and see if you can spot any dinosaurs in the clouds. Enjoy listening to the noises around you and feel calm.

### Reading!

Enjoy reading a book at home together. Cosy up with a blanket on the sofa!

### Yoga

[Kids Yoga with Dinosaurs - Cosmic Yoga](#)

Enjoy making your mind and body healthy by doing and watching some yoga with Jamie.

### Pairs

Have fun playing pairs with a pack of cards! How many pairs can you win? Can you remember where they were hiding?

### Dominoes

Can you count the numbers on one half of the domino and then build a tower? Can you play a game together?

### Design your own dinosaur!

You can draw, build, make, or paint a dinosaurs. Do you want yours to have big sharp teeth like the t-rex or a spiky back like the stegosaurus?
