

Year 5 Homework Grid

Each week, please complete one of the activities from the grid below. Don't forget to stick your work into your homework books. Bring your homework book in every Monday for your teacher to have a look at your work.

This terms topic is: Rainforests

English - week 1 Write to your 'friend' (who lives in the rainforest) and ask them any questions you have.	English You live in the rainforest - your 'friend' from Shirley Warren has written to you and asked you questions (on week 1). Respond to your friend and answer the questions - you may have to do some research.	English Create your own dictionary from the new vocabulary you have learnt about rainforests.	Maths Create your own maths games using multiplication and division - this could be a board game or card game. Bonus house points if it is rainforest themed!
Project Create your own rainforest biome! 	Project Recap why we shouldn't use palm oil - present this in any form you like.	Spanish Create a Spanish vocabulary book with everything you have learnt so far Challenge - can you write a conversation between two people?	Science List all the items that you can find, which use a pulley or a lever.
TTRS Keep going on TTRS - can you beat your score!? Multiple challenges will be played against the two year five classes throughout the term. Which class will win this term?	Art Choose an animal from the rainforest and create a pop art picture.	Reading Ask an adult to take a photo of you, reading your favourite book in your favourite cosy place!	Reading for pleasure On google classroom, you will find a reading review template. This is an ongoing project - add to it whilst enjoying your favourite book at home. This should take a few weeks to complete!
