

Year 3 Homework Grid Spring 2

Each week, please complete one of the activities from the grid below. Don't forget to stick your work into your homework books. Bring your homework book in every Monday for your teacher to have a look at your work.

This terms topic is: Brilliant Britain

Play Times Table Rock Stars for 5 minutes every day for a full week. See what happens to your coins and the speed you can answer questions.	Click this link to get to the Incredibox website. Click "try web version" and then have fun building up your own music. See what happens when you click different characters, how does the music change? What happens to the overall sound if you put a different character in? https://www.incredibox.com/	Watch this song about the counties of the UK again. On Google Classroom there is a blank map of England. After watching this song, see how many counties you can put on the map. You can watch the song as many times as you need to! https://www.youtube.com/watch?v=zDlDb2iCVU&ab_channel=KidsLearningTube	On Google Classroom you will find a photo of Big Ben in London. Try and build a model of it - you can use Lego or any recycling materials you already have at home. Take a photo to show me what you have done!
What are the capital cities of the 4 countries of the UK? Choose one of them, then use the relevant website to research a landmark in that city. Write a few sentences telling me what it is, where it is, what it is famous for and any extra information about it. (For Northern Ireland, you	Answer these addition questions (and any extra ones you want to do!) by following the method of adding to the nearest 100 and then adding on the remainder. Eg $670+50=$ $670+30=700$ $700+20=720$ $540+90=$ $280+70=$ $470+80=$	In school we will be writing a non-chronological report about one of the countries of the UK. We will be using headings, subheadings, photos, captions, paragraphs, formal language, did you know fact boxes and topic sentences to help us inform in our writing. Write another	Draw a picture of a flowering plant and label the different parts.

<p>can pick a landmark in the country.) https://primaryfacts.com/long-don-facts-information-and-resources/ https://www.visitcardiff.com/discover/landmarks/ https://www.aboutbritain.com/towns/edinburgh.asp https://www.theschoolrun.com/homework-help/northern-ireland</p>	<p>360+60= 650+90=</p>	<p>paragraph about another part of the country you have chosen. You might need to do a bit more research to help you.</p>	
<p>Write a description of this picture, using fronted adverbials, similes and expanded noun phrases that we have learnt about so far in Y3. Try to describe what you can hear or smell as well as what you can see.</p> 	<p>If you can, get some white flowers (carnations work best) and put them in water coloured with food colouring. (Gel food colouring seems to work better than liquid food colouring.) Observe what happens and draw and write your observations. Now put them into plain water and again draw and write your observations of what happens. We will be discussing how this happens in school!</p>	<p>Get active in any way that you can! Go for a walk, or a splash in puddles, do some just dance, ride a bike or scooter, run up and down the stairs (how many times can you go up and down in 5 minutes), create an exercise circuit including star jumps, press ups, running the spot and squats.</p>	<p>In Spanish, we will continue learning numbers, this time going up to 30. Watch this song with numbers 1-20 and sing along - how many numbers can you remember? Can you come and count to 20 to us to show off your learning? https://www.youtube.com/watch?v=6FEyfy5N3Nc&ab_channel=BASHO%26FRIENDS</p>
