

Year 5 Homework Grid

Each week, please complete one of the activities from the grid below. Don't forget to stick your work into your homework books. Bring your homework book in every **Monday** for your teacher to see what you've been up to.

This term's topic is: Out of this world.

<p>English</p> <p>Write a setting description about a new planet that you have discovered in the solar system! Think about adding parenthesis, relative clauses, similes and metaphors to help you describe your planet.</p>	<p>Guided reading</p> <p>Write a diary entry as one of the characters from Wonder, considering their thoughts and emotions</p>	<p>Guided reading</p> <p>Write a character description of one of the characters from Wonder. Include interesting adjectives, conjunctions, parenthesis and relative clauses.</p>	<p>Reading for pleasure</p> <p>On google classroom, you will find a reading review template.</p> <p>This is an ongoing project - add to it whilst enjoying your favourite book at home. This should take a few weeks to complete!</p>
<p>Maths</p> <p>In your home or a chosen location outside (park or garden). Use a ruler to work out the area of certain objects and things. This could be anything- a poster, a mirror, a cooker or even a fridge.</p>	<p>TTRS</p> <p>Keep logging in and practising your TTRS!</p>	<p>RHE</p> <p>Write down a list of things you can try at home that make you feel calm and relaxed when your 'emotions cup' is overflowing. Record how this made you feel and if it's something you will try again.</p>	<p>Bug Club</p> <p>Log onto your bug club. Keep reading the books that have been selected for you. If you need your log in, ask your teacher.</p>
<p>Music</p> <p>Practice creating different beats using a number of materials/ objects in your house. Are there any household items that create an effective sound? Why is it effective?</p>	<p>Science</p> <p>Create a poster on the solar system that informs your audience how it works and why it is important.</p>	<p>DT</p> <p>Using recycled materials, create a junk-planet of your choice. This can be made out of anything as long as it's recycled. Use google to help you decide which planet you will create.</p>	<p>Reading Journal</p> <p>Keep reading books at home each week. Write in your reading journal when you have- make sure you get an adult to sign for you!</p>
