

## Year R Homework Grid

Each week, please complete one of the activities from the grid below. Don't forget to take a photo and upload it to Tapestry to help us celebrate what you are getting up to at home.

Activities you might like to do at home:		
<p><b>Picnic in the Park</b> On 18th June it is International Picnic Day - enjoy a picnic with your family!</p>	<p><b>Mark Making</b> On a sunny day, take some paint brushes and water outside in the garden. Encourage name writing. Talk about the shapes of the letters. If it's a particularly warm day (soon hopefully!), talk about what happens to the marks when they begin to dry out.</p> 	<p><b>Tennis</b> Wimbledon starts on 3rd July. Watch some tennis and see if you can try to have a game yourself!</p>
<p><b>Emoji Day</b> Design a new Emoji for World Emoji day on 17th July!</p> 	<p><b>Butterfly Hunt</b> Since we have released our pet butterflies, I wonder if you could find them? What types of butterflies can you find? Could you write some information about the butterflies you find?</p>	<p><b>Make a Pirate Costume</b> AHOY THERE! We're learning about pirates - could you use bits and pieces you find at home to make an eye patch or if you're feeling extra creative, why not go for the whole costume?!</p> 
<p><b>Fly a Kite</b> Can you make a kite? Get outside on a windy day and see how fly you can fly your kite!</p>	<p><b>Fishy Facts!</b> What can you find out about a creature that lives under the sea?</p>	<p><b>Nature Walk</b> Use sticky tape to collect some pollen or take a walk in the wildflowers. What do you notice?</p>
