

Year 1: Coast to Coast

Geography

What do we already know?

In Year 1, we have used our local knowledge to create maps using locational and direction language. We have also begun to investigate human and physical geographical features.

Geographical Skills and Fieldwork

Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans.

Use locational and directional language.

Describe the location of features and routes on a map.

Use simple fieldwork and observational skills to study the geography of ????? and the key human and physical features of its surrounding environment.

Direction and Location Vocabulary

Key Word	Definition
Compass	A device which uses magnets to show the directions North, South, East and West.
Direction	The route someone needs to take or is taking.
Directional language	Words that show the direction of something. E.g. left, right, up, down.
Locational language	Words that show location. E.g. near, far.
Human features	Aspects of our environment that is built by humans (manmade). E.g. lighthouse at the beach.
Physical features	Aspects of our environment that is 'natural'. E.g. the sand at the beach.
Aerial photograph	A photo taken from above (bird's eye view)

I will know at the end of the project...

1. I will be able to name and locate the world's seven continents and five oceans.
2. I will be able to name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.
3. I will be able to use observational skills to identify human and physical features.
