Dear Parents/Carers,

We said a sad farewell to Mrs Cook today who is retiring and moving to Dorset. Mrs Cook has worked at the school as a Teaching Assistant for over 27 years! She has been such an important part of the school and will be very much missed! We wish her all the very best!

We said another farewell today also - to the swimming pool. I am sad to see it go as it has been such an amazing experience for the children. The good news is that it will be back next September!

Thank you to those of you who have filled a shoebox for the Rotary Christmas shoebox appeal. These are going to make such a difference to so many families.

A finally a word from Max in Hawks about his topic this term...

"We were learning about Charles Darwin and his discoveries in the Galapagos islands. We also learnt about his theory of evolution. The best bit of the topic was learning about adaptation, we looked at animals and plants and how the best of the species were able to survive. It was a marvellous topic- I learnt a lot"

Have a lovely half term!
