Dear Parents and Families

We are writing to you regarding Storm Ciaran.

Following several strategy meetings in the city this morning, we have just been informed that Southampton City Council, police and other emergency services have declared a Major Incident, starting at midnight tonight and going through until the end of Thursday.

We have been advised by the Local Authority that all schools should remain closed tomorrow. We hope this will provide you with the clarity that you need. The safety of our children, families and staff sit at the very core of all we do and we wish you all safe and well for tomorrow.

We have put work onto Google Classrooms for each class so that your children can access learning.

Please assume that the school will be open on Friday unless you hear from me to the contrary.

Thank you for your continued support.

Best Wishes

Mrs Zoe Newton
