Swimming club - Year 3

Dear Parents/Carers,

Welcome to the new academic year. It was so lovely to see the happy smiling faces as we welcomed the children back into school last week. They have all been settling well into their new classrooms.

By now, you will know that the school office has moved. Parents no longer have access into the school via the KS1 playground (door at the top of the steps). Please can we ask that all parents/carers say goodbye to their children in the playground rather than coming into the school building. If you need to see a member of the office staff, please come via the main school car park. Thank you

On Monday, the year 6 children started their swimming lessons in our pop up pool. The progress the children have made in just one week has been phenomenal.

Today marked the end of our whole school Alice in Wonderland topic. We all had a 'tea party' on the KS1 playground and the children enjoyed watching our staff performance.

Have a lovely weekend  
Mrs Newton  
Headteacher
