Dear Parents/Carers,

Well Shirley Warren has not only made it to the local press but was also featured on BBC Breakfast news this week. The swimming pool is generating some incredibly positive publicity. I have been inundated with messages from people all over the country. Today we invited lots of Heads from around the city to hear about and see the pool. I am really am going to be sad when it goes at half term. The good news is that I have signed up for another two years which will enable lots more children to learn to swim.

I wanted to say a big thank you for supporting your children with their homework. I have seen lots of Rainforest creations and wonderful 'natural disasters in a jar' coming into school over the last few weeks. We are always delighted to see them!

Have a lovely weekend
