Dear Parents/Carers,

Mrs Lamb and the Eco Committee met with Ranger Clare this week and we now have a brand new Hedgehog House in our KS2 playground. This will provide hedgehogs a safe place to hibernate this winter. It is important that we leave this box alone and do not disturb any hedgehogs that may come and live there. We have chosen to put it in the KS2 playground because hedgehogs need-

- Wild areas for foraging
- Holes in fences for access
- Hedgehog home for shelter
- No slug pellets

We are really hoping that hedgehogs will come and live in our playground for the winter!

The Daily Echo were in school this week to take photos of our Year R children and it will be published on November 17, 2023. please do look out for them!

You may recall that last year I sent out a consultation re: extending the school day. This is a requirement by the DfE with effect from September 2024. 70+ of feedback was that we should start earlier and finish later (rather than all at one side of the day). We have decided to introduce this in stages so after half term, we will be finishing school at the later time. I will send out more details in a letter next week.

Have a lovely weekend
