## Letters home this week

Children in Need

Data Collection Sheets

Dear Parents/Carers,

We hope the children enjoyed the extra day off this week for INSET. Whilst the children were at home, the staff have been in school for a variety of training sessions. We welcomed Mr David Harris the CEO of an Academy Trust in Surrey, who has been partnered with our school by the DfE to support us on our journey to Good. He led sessions on expectations and on subject leadership.

In addition to this, I led a session on Vision and Values and what these look like for our school. I would like to establish new ones to for the school that really capture what we stand for and what we aim to achieve. Your views are will be very much appreciated therefore, next week I will be sending home a Google form where you will be able to a) tell us the values that you feel are important to a school b) give feedback on some of the ideas we have put together today.

## Sporting News

Our new boys football team played in a tournament yesterday. They won their first two matches and drew their last, keeping a clean sheet throughout. They were an absolute credit to the school.

Finally, congratulations to Mrs Goodall who recently welcomed her first baby - a little girl called Rose.
