Dear Parents/Carers,

On Monday, we took a group of KS2 children to the O2 Arena in London for the Young Voices concert. We were amongst a choir of 8,850(!) children singing a variety of songs and accompanying stars such as MC Grammar and Nandi Bushell - a 13yr old rock drummer. It was an amazing experience and the children did us all proud.

We have been reviewing our approach to reading in school. There are a few areas that we would like to improve and a number of initiatives that we will be launching over the coming weeks. The first thing we would like to do is provide more opportunity for children to read to an adult but for this **we need your help**. We are looking for volunteers who would be willing to come into school on a regular basis (maybe for a couple of hours each week) to hear readers. If this is something you could offer, please let me know either by sending an email to or phoning the school office. We look forward to hearing from you.
