Yr 6 SATs letter to children

Dear Parents/Carers,

It was lovely to see so many of you at our community café last Friday afternoon. We look forward to seeing you at the next one after half term.

As you may be aware the school is now accessible from the roundabout onto Warren Crescent. School Street closure is now up and running as normal.

As you will see, our whole school attendance has dropped this week to 91.3%, this is much lower than we expect. Please only keep your child at home if they are genuinely unwell. Thank you.

Next week the year 6 children will be sitting their SATS tests. These are national tests for Spelling, Punctuation and Grammar, Maths and Reading. Good luck to all of our 60 year 6 children.

Mrs Newton
Headteacher

Celebrations

Star of the Week certificates
