## Letters home this week

\*Yr 2-5 Music Lessons

\*MHST Letter

\* Y5- Stubbington Open day

\*Supporting parents with Math

Dear Parents/Carers,

During the INSET day on Monday, the teachers were busy writing the children's school reports. The TA's had training in first Aid and/or food hygiene and the SLT spent the day looking at school improvement including writing the School Evaluation Form (SEF) which captures our improvements since our last Ofsted visit.

I welcomed back the children to this, last half term of the academic year with the introduction of the fourth school value - Aspiration.

I have tasked all of the children with thinking about what they would like to be when they grow up. The teachers have been capturing these responses so that I can make a display out of them. My favourite so far have come from Year R - one of whom, in response to the question:- What would you like to be when you grow up? answered *a bit strong*. Another wanted to be a *spider!*

The classes also started their new topics this week, they are as follow:-

Year R = Ahoy There

Year 1 = Coast to Coast

Year 2 = The 60's

Year 3 = Food Glorious Food

Year 4 = Empowering Emperors

Year 5 = London to Rio

Year 6 = Aspiration

Have a lovely weekend

Mrs Newton
